People Process Performance

"Developing Solutions for Tomorrow"

WHY DST?

Headquartered in Maryland, Data Solutions & Technology Incorporated (DST) is a small disadvantaged, woman-owned, veteran-owned business. We provide technical, IT, management, logistics, and administrative support services to Department of Defense DOD agencies and military services, including the Defense Intelligence Agency (DIA), Defense Logistics Agency (DLA), U.S. Army, U.S. Navy, and U.S. Air Force.

We currently support DIA's HUMINT office and Iraq operations, intelligence efforts. We operate DLA's Virtual Customer Contact Center (VCCC), supporting the warfighter in acquisition and delivery of critical parts worldwide. We provide technical and logistical support for the Army's force transformation. For the Office of Naval Research's (ONR) anti terrorist office, we provide technical and administrative support. We supported the Air Force's A-76 environmental efforts.

DST is a capable and qualified small business. Our goal is 100 percent customer satisfaction.

OUR CORE COMPETENCIES

We help improve your overall program performance by providing the following key support services:

TECHNICAL SUPPORT SERVICES
MANAGEMENT SUPPORT SERVICES
OPERATIONS/LOGISTICS SUPPORT SERVICES
